

Restorative Practice Reps

In September 2020 we adopted the restorative practice approach to develop our conflict resolution skills. Throughout the year despite the lockdowns we have continued our RP training with 10 children. They will use the skills that they have learnt through 4 modules to support children with conflict resolutions on the playgrounds at break times. Our RP reps have worked incredibly hard to ensure that they have completed all of their training ready to support all children for after the Easter holidays. Our RP reps are...
